SUMMARY

Full Stack Web Developer with a deep understanding of effective team collaboration. Skilled and persistent problem solver who writes clean, elegant code. A passionate craftsman and creative thinker who is proficient in solving large problems by iterating quickly. Experienced in adapting to client requests, very quick study, and accustomed to performing under pressure.

TECHNICAL SKILLS

Languages: Python, JavaScript, TypeScript, HTML, CSS, SQL, NoSQL

Applications: Github, MongoDB, MySQL

Tools: Node, Express, React, Handlebars, jQuery, Bootstrap, Flask, Pandas, Matplotlib, Docker, Kubernetes

PROJECTS

Flask of Finances | [github.com/elijah415hz/finances-flask-public](#) | [flask-of-finances.herokuapp.com](#)

- A progressive web app that gives highly granular insights into your finances.
- Fully customizable categories, offline functionality, and download functionality give you complete control.
- React, TypeScript, Python, Flask, Pandas, Chart.js, MySQL, JWTs.

Cozy Baby | [github.com/elijah415hz/portfolio](#) | [cozy-baby.netlify.app/](#)

- A custom-built temperature sensor to record indoor temperature fluctuations and compare them to outdoor temperatures.
- Data is gathered with a RaspberryPi equipped with a temperature sensor and is served to the frontend by an AWS Lambda function. See the README on Github for a full tutorial of the setup.
- React, TypeScript, Python, Chart.js, Linux, AWS Lambda, MongoDB

Patched | [github.com/elijah415hz/we-patch](#) | [we-patch.herokuapp.com](#)

- A full-stack web application to connect people looking for gardening space to people who have space they'd like to share. Built using Leaflet.js, bcrypt, Nodemailer, and Cloudinary.
- HTML, CSS, JavaScript, jQuery, Foundation, Sequelize, Handlebars, Express-Sessions.

DEVELOPER EXPERIENCE

Front End Web Developer | Framewrk | 2021-present

- Building a React/Firebase production application on a small, fast-moving team
- Assisting in pitch meetings for potential investors
- Shipping new features weekly to add value to this young startup

OTHER EXPERIENCE

Freelance classical singer | New York City, 2014-2020 | [www.elijahblaisdell.com](#)

- 2018 Grammy-award winning soloist with The Crossing
- Rapidly built a large client base of top music organizations across the country, achieving 20% growth in revenue each year.
- Managed multiple, simultaneous collaborative projects in different genres and languages (German, Italian, French, Swedish)
- Coordinated and adapted efficiently (and often wordlessly) in new environments with unfamiliar colleagues

EDUCATION

Coding Bootcamp in Full Stack Web Development | University of Washington

Master of Music in Vocal Performance | New England Conservatory

Bachelor of Music in Vocal Performance | Central Washington University
